### STORE CLOSING BEST PRACTICES

- Utilize Chipply Purchasing Utility
- Work Orders
- Sorting and Packing Slips Easy to hire help for the holidays!
- Utilize Message Customers
- Production Management

## **Production Timelines**

- Establish your desired in-hands date and work backwards
  - Aim to deliver no later than the week before Christmas
  - Stagger your open and close dates, if possible
- Be aware that typical lead times as well as ship time increase this time of year
- Use this <u>Timeline Calculator</u> to help you plan

# **Promoting Your Stores**

Utilize these Canva templates to help your organizations post on social:

- Facebook
- <u>Instagram</u> New feature allows followers to share your posts!
- Reels

Be sure to include . . .

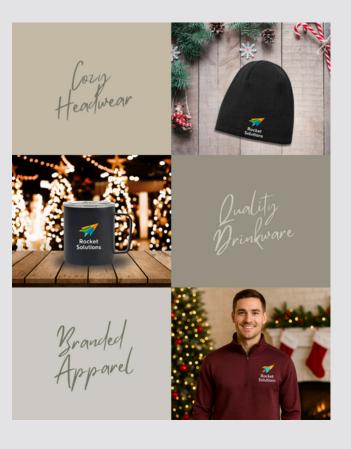

Countdowns

Special Offers

**Sneak Peeks** 

# **Promoting Yourself**

This is also the perfect time to promote **you and your business.**Create fun and engaging holiday-themed social or email campaigns to boost brand recognition and stay top of mind as we roll into the new year.

- 12 Days of Giveaways
  - Product giveaways (make sure they're self-branded!) or discounts
- "This or That" Holiday Edition (hot cocoa or apple cider? or, product related: a warm beanie or a cozy sweater?)
- Ugly Sweater Challenge (great for UGC)
  - Encourage both customers and employees to participate and offer prizes for different categories like funniest or best DIY.
- Festive Recipe Swap
  - Cookies, drinks, or any holiday dish. Followers post the recipe and tag your account. Create a carousel or video highlighting the favorites.
- Elf on the Shelf
  - Give a virtual tour of your facility with the help of an ornery elf or your company's mascot (if you have one).

# The Holiday Hub

The <u>Holiday Hub</u> is filled with tools and resources to help make your holiday season successful.

- This Webinar Recording
- Example Timeline
- Timeline Calculator
- Chipply Templates
- Sample Stores
- Canva Templates for Social

# KEY TAKEAWAYS I Q&A

- Timing is important!
  - Start now
  - Stagger open and close dates
  - Aim to deliver no later than the week before the holidays
- Streamlining store setup and processing templates, inventory thresholds, integrated purchasing, sorting & packing lists
  - Use select vendors
  - Simplify your artwork!
- Promote your stores to drive end of year sales!
- Lean on Team Chipply to make this season stress-free
